Dear parent of \_\_\_\_\_ in grade \_\_\_\_\_,

We are pleased to inform you that your son/ daughter has expressed interest in being part of this year's Company Program Competition. In partnership with Injaz, "a leading organization dedicated to youth empowerment and education, the school is launching The Company Program which consists of attending weekly practical sessions under the supervision and mentorship of high-caliber business-driven professionals and will culminate in a business challenge and competition. This program is designed to enhance the students' critical way of thinking, brainstorm ideas, identify real-world problems, develop essential life skills, gain career readiness, and explore entrepreneurship. At the end of these sessions, participants will be able to create a business model, showcase it in a big national event in May 2024, and compete against other schools in the UAE for the winning place.

Please note that the mentorship sessions will be held at school, every Thursday starting Thursday, November 2 until Thursday, May 30 during the assembly period, from 1:15- 2:00 p.m.

To participate in this program, students need to have a high sense of commitment and understand that they cannot pull out of it any time they want. The participants who show commitment and dedication will receive, at the end of the program, a certificate of participation where it will be mentioned the number of hours spent in this training. This will help them earn points toward their professional development, consolidate their engagement in extracurricular activities, and enrich their resume and college applications.

If you are interested and would like your son/daughter to be a part of this program, please sign the permission slip and return it back to either Ms. Marwa or Mr. Mohammed Jawad by Friday, October 6.

Best Regards,

Career & College Counseling Department
